RE: Engineer, [\[Ref#\]](#), [\[Date\]](#)

Dear Hiring Manager,

Please accept this letter as an expression of my interest in the Engineer position. I am a highly motivated and progress-focused IT Technical Support Specialist with a long-standing background in this industry.

Throughout the course of my career, I have perfected and updated my technical skills. I am currently enrolled in Multiverse - Cloud / Software Engineering Apprenticeship program working in System Security. I am eager to apply my training in operations using Devsecops.

In my previous role, I contributed collaboration, motivation, and organization toward team efforts and business improvements. I am progressive minded and in tune with new developments in my field. I have proven to be effective and collaborative with strong teamwork talents. I enjoy collective brainstorming sessions which allow me to coordinate activities to achieve a common goal.

Please take a moment to review my attached resume and credentials. I would greatly appreciate the opportunity to speak with you regarding my candidacy.

Thank you for your consideration.

Sincerely,

Irene Bowers
